\* represents suggested time. These are independent activities and can be done at their own pace.

- The assignments for each day will have a due date, so please try to hand in your work on-time.
- Literacy and Math lessons are broken down by day. Students should try to complete the assignment on the day it is assigned for these subjects.

**GOOGLE MEET:** Link can be found on the Google Classroom Banner. It says "Meet Link"

**Office Hours:** This time will be used to grade assignments, provide feedback, and plan and pre-record lessons. I will be available for Google Meet by request. Office hours are a great time to request a meeting or ask questions about an assignment.

**Whole Group:** Will be held using Google Meet. Time for students to access lesson materials with teacher guidance.

**Small Group Instruction:** Will be held using Google Meet. This is time to meet in small groups.

Please see the days and times you're scheduled to attend below.

On days your small group does not meet, you should be working on your assignments independently that day.

**Read Aloud:** This is the time to read along with the assigned chapters of our book on the Google Classroom.

**Fun Friday Meet:** A chance to meet to celebrate the week's hard work.
