

Dear Parents and Kindergarteners in Room 103,

My name is Ms. Chim. I'm so excited to be your Kindergarten teacher this year! I am looking forward to meeting you all soon and to get to know you better. You will also meet Ms. Geraldine, our wonderful classroom assistant.

This may not be the way you envisioned starting Kindergarten, however, we will work together to make this a special and successful school year. We will begin the year virtually, but it will mimic the normal school day as much as possible. There will be mixture of live whole group and small group instruction. Students will also have opportunities to practice social skills with peers. There will be off screen activities with the provided Kindergarten Learning Kits.

I will be in contact with you to provide a daily schedule and login information for the different learning platforms. I will also help you navigate the technology needed to succeed. Communication this year will be crucial. Please make sure you provide the school with your updated email address and phone number. I will answer many of your questions during our Kindergarten Interviews. If you ever need to contact me, you can email me at Lchim@philasd.org, message me on Class Dojo, or call/text my Google Voice phone number.

See you all on the first day of school in our Zoom room on Wednesday, September 2nd at 12:00 P.M. Please make sure you are prepared to learn with a notebook, a pencil, and some crayons.

Here's to an amazing school year!
Ms. Chim
