

Dear Parents,

Happy new school year! I am so excited to be your child's special education teacher this year. I look forward to getting to know your child, and discovering how they learn best. I am looking forward to seeing the growth and progress your child will make this year.

This year will look a little different as we begin the year virtually. Your child will be required to sign on daily for instruction. Your child will have a specific schedule that I will share with you. The only materials you need are a pencil, notebook, and crayons if possible.

Please feel free to contact me through my school email. My email is VRFREDERICK@philasd.org. Please do not hesitate to reach out to me at any time throughout the school year if you have a question or concern. I look forward to building a relationship with you and your child this year. Together as a team we can make this school year spectacular and successful!

Sincerely,

Ms. Frederick
