Greetings Kirkbride Families,

Welcome to the 2021-2022 school year! My name is Mrs. Keene and I will be teaching 1st grade in room 201. I have been teaching for eight years and this will be my third year teaching at Kirkbride. I have taught several grades throughout my career, but first grade has captured my heart! With your support and cooperation, your child can anticipate a productive and successful learning experience filled with many learning activities, student discovery, and so much more!

Homework will be given Monday through Thursday. Reading is essential! Please read or have your child read to you for 15 minutes every night. I will be using Class Dojo as our communication tool. Please make sure you provide the school with your updated email, home address, emergency contact, and telephone number.

Summer is still sizzling! Please send your child to school with a water bottle everyday. Students are not allowed to use the water fountains. Unfortunately, COVID-19 has not disappeared. To ensure everyone's safety, we will continue to have daily COVID protocols in place. Students and staff will be required to wear a face mask throughout the school day. If possible, send your child to school with two extra masks in a ziplock bag.

The first grade team has an ESOL teacher and a learning support teacher. Mrs. Byun (Mrs. B) will be our first grade ESOL teacher and Mrs. Toscani is the learning support teacher. If you need to reach out to them with questions or concerns I have listed their emails below.

Mrs. B: yjbyun@philasd.org
Mrs. Jessica Toscani: jdeluca@philasd.org

I look forward to learning more about your child as we work together to provide a safe, positive, and engaging learning environment.

Sincerely,
Mrs. Keene
