

Dear Kirkbride families,

I am writing this letter to introduce myself and to discuss the upcoming school year. My name is Kristin Oteri and I will be your child's teacher for the 2022-2023 school year. This will be my 17th year of teaching and my 9th year in second grade here at Kirkbride. I am very excited to be teaching your 2nd graders! I look forward to meeting you at **Back-To-School Night on Thursday, September 22nd.**

Homework Policy

Children are in school for six and a half hours every day, and we know there are lots of activities that keep families busy at night. We will have some type of homework, but it will be minimal.

Students should read for 15-20 minutes each night. As we progress through the year this time may increase. We will send a reading log home; please make sure to sign the log each night.

Staying In Contact

Good home and school communication is one of the foundations of your child's success in school. The best way to contact me is through my class dojo; I sent invites last week. If you were not able to connect to my dojo page I attached an invitation to this letter. Also, you can also email me. My email address is: kdoteri@philasd.org

Arrival Time and Attendance

It is very important to arrive on time. School begins at 9:00am. Please make sure your child arrives in the school yard by 8:50am to start our school day. If your child is eating breakfast in the morning please make sure they arrive between 8:15 and 8:45. They should go right to the cafeteria.

Dismissal will be staggered again this year to alleviate congestion in the hallways. We will begin dismissal procedures at 3:30pm for 2nd grade. The gates will open at 3:20pm.

If for any reason your child is absent please make sure to send me an absent note. This can be done on paper and sent in, through class dojo, or you could email me.

Co-teachers

Mrs. Nguyen-Ngo will be the 2nd grade ESOL teacher this year and Mrs. Toscani will be the Learning Support Teacher. We are all looking forward to working together to make this year a success for your child. You can find their contact information below.

Report Card Conferences

Report Card Conferences are scheduled in November, February, and March. The exact dates will be sent home closer to the time of the conferences. I am not sure, as of now, whether conferences will be in person or virtual.

I look forward to getting to know the students as well as meeting and collaborating with you throughout the school year.

Sincerely,

Mrs. Oteri
