

June 2023

Dear rising fifth graders and families,

Welcome to fifth grade! We are excited to work with you for a happy and productive school year. Over the course of the year, we hope students will develop the tools necessary to become active participants and problem solvers at school and in the world around them.

To help you plan ahead, we are sharing a list of classroom supplies as well as the School District of Philadelphia's [recommended summer reading list for grade 5 students](#). Your summer assignments this year are a math choice board and reading log. Students can also participate in the public library's [Summer of Wonder](#) program and win prizes for the books they read! Visit any branch of the library to learn more.

Thank you for your support and we hope you have a restful summer. We will see you on Tuesday, September 5th. We look forward to working together to make 5th grade a great year!

Sincerely,
The 5th Grade Team
